

MISSION

To provide women of domestic violence and low-income women with the tools to lead self-sufficient, successful and independent lives.

THE SUCCESS STORE

The Success Store addresses barriers to employment by providing our students with professional attire. Students are eligible to earn points to “purchase” items through attendance, class involvement, and punctuality.

The Success Store is supported through generous donations from people in the community. We accept new and gently used suits, blazers, blouses, shoes, jewelry, and handbags.
